A Chinese Auction is similar to a raffle in that ticket buyers choose which prizes they wish to win. Tickets are placed into a 'hat' designated for that specific prize. A winning ticket is drawn for each individual item, which is drawn separately. You may increase your chance to win the prize of your choice by placing many tickets for that specific item. Please feel free to enter for as many prizes as you wish. Please donate generously. All proceeds help us continue our vital nonprofit work.
